*Transforming Lives Preparing the Plan*

Most Parishes will be looking now at putting their Transformational Plans together and I am engaged in a number of visits and in answering a number of questions about this part of the process.

I would draw your attention again to the yellow booklet distributed last year and available on the website which goes into this process in some detail. I also include in this mailing and also available on the website some notes for PCCs and groups on this part of the process and on putting the plan into action.

Please don't hesitate to contact me if I can be of any further help.
