

Two Important Training Events

Transforming Leadership
Thursday 15th October 2009
Dewsbury Minster

A day for those thinking about the challenges of moving from a single benefice, single church pattern to a multi church, and multi benefice pattern

How will the challenges of new patterns of ministry effect us and how can we develop skills and strategies for this challenge?

We will be joined on this day by Revd Michael Nokes from CPAS and by an incumbent from another diocese who has faced these challenges

The day will run from 10am till mid afternoon – lunch will be provided. Numbers for this pilot day will be limited but a further day will be planned if necessary.

Please mark this day in your diaries – booking form will be available in the August mailing and on the web site
