HOW TO GET TO CHURCH HOUSE

- The easiest route to Church House in Wakefield is to come off the M1 at Junction 39, taking the A636 at the roundabout signposted Wakefield.
- At the fifth roundabout with Sainsbury's on your right go straight across following "Town Centre" route.
- Follow this road bearing uphill to the right and carry along the straight stretch.
- On the right hand side is a red bus shelter. Just before this turn right onto West Parade (a very short road).
- Turn immediately right and follow South Parade along to the end when you will come to Church House Car Park.

For access to Church House by car you need to go along George Street, and turn right down West Parade, and come back on yourself along South Parade right to the very end where the car park is.

Access by foot can be made through a narrow cutting/entrance from the end of South Parade (opposite Queen Street).
