

INSURANCE

All of our Children & Youth Work must be properly insured. Here are three things you need to do!

1. Does your Practice comply with your insurance?

Most parishes will be insured under the Ecclesiastical Insurance “Parishguard” policy. This will be adequate to cover the vast majority of children and youth work. There are four criteria which must be met:

- The PCC must specifically accept responsibility for the activities and minute such in its records
- Full reports of any future new activities must be given to the PCC in order that decisions can be made regarding the acceptance of responsibility for these activities and this must be minuted accordingly
- The PCC must elect all leaders and maintain records of such appointments
- The House of Bishops Child Protection and Safeguarding guidelines must be implemented

If your youth and children’s work cannot meet these criteria it may be that they can be insured under the diocesan group insurance scheme. Please contact Ann Hall (01924 371802) for further details.

2. Are you covered for transporting children & young people?

If you have leaders and volunteers who use their cars to transport children and young people to events such as a bowling night, then you must ask each driver to check under their motor insurance that they will be covered. Such transportation is NOT usually covered under your PCC insurance policy. Please also ensure that you are complying with good practice regarding child protection when transporting children and young people by car.

3. Make a note of this telephone number:

01452 528533

This is the telephone number for Ecclesiastical Insurance. They are happy to answer questions on all aspects of insurance and all calls are dealt with personally. If you have any questions regarding insurance and your cover, please do call them.

PLEASE MAKE SURE YOU ARE PROPERLY INSURED
