

## Year of the Child 2009

### PCC Pledge in response to the recommendations to Diocesan Synod By the end of 2010...

**1. We recommend:**

Children and Young People are part of the diocesan synodical structure. All churches should always listen and respond to their children and young people. Training on listening to children and young people should be part of church leader education.

*As a PCC we pledge to .....*

**2. We recommend**

The diocese creates and implements a process to deal with the issue of inconsistency. All parishes should take this very seriously. This is not just an issue about Children & Young People.

*As a PCC we pledge to .....*

**3. We recommend:**

**“Collective Worship” is distinctive from “Assembly”**

Training to facilitate the provision of collective worship should be part of church leader education.

*As a PCC we pledge to .....*

**4. We recommend:**

All Transformational Plans should include at least one way that children and young people are to be included as part of the church.

*As a PCC we pledge to .....*

**5. We recommend:**

Churches take up the challenge given by the children and young people to live out the fabulous message we have to share in the dynamics of worship, in school life, in service to the community, in caring for the world
