

Margaret Redfearn

Margaret Redfearn is a founder member of Hand to Mouth Puppet Ministries and worships at St.Thomas Church at Bradley. Margaret is recognised as a Diocesan Evangelist for the work she does with Hand to Mouth, which takes her into schools across the diocese, mainly in the Huddersfield and Halifax areas.

Hand to Mouth reaches about 20,000 children a term; they visit schools doing collective worship sessions, Godly Play, design technology and friendship clubs. If you would like to know more about their work visit their web site www.handtomouth.org.uk

(As Margaret feels that God's call to her is in schools, Hand to Mouth rarely does church work at weekends.)
