

Last year's Archdeacon's Visitation returns about fairtrade use in parishes were very encouraging indeed. We seek to congratulate those churches that already serve Fairtrade products, and also encourage those churches that are in the process of introducing Fairtrade products.

Enclosed is a 'Fairtrade Certificate' for those churches that already serve fairtrade tea and coffee. Please use this certificate in your church to make your commitment known.

It would be helpful if you could complete the reply slip below and send this to the address given, so that we are able to include your parish in the Wakefield Diocese Fairtrade Directory.

The diocesan Fairtrade Certificate completes Level One for each church. Each church is encouraged to apply for Level Two, which is the full Fairtrade Foundation status. More details about either of the two stages, along with any help you may need, are available from the address printed in the tear-off slip below.
