

## **THE WEST YORKSHIRE ONE WORLD GROUP**

We are a fellowship of Christians living in West Yorkshire. We want to see a fairer world in which peace is obtained through justice for all and the resources and diversity of our planet preserved.

### **We aim to:**

- Reflect together on One World issues
- Help others to learn more about these
- Link with other groups already actively concerned
- Lobby to achieve change
- Pray ourselves and encourage others in prayer

We are an ecumenical group and associated with the Diocese of Wakefield in its work for Social Responsibility.

If you would like to receive reports of the Groups's activities and dates of future meetings, please email Mrs Jenny Cheesbrough, at
