THE STARSHIP DISCOVERY HOLIDAY CLUB

Written by John Hardwick and published by BRF £8.99

This book contains all you need for an off-the-peg easy-to-run holiday club for 5-11's with a great atmosphere and loads of fun. It is on the theme of outer space and explores another journey, the journey of a life with Jesus himself.

STORIES OF EVERYDAY SAINTS

Written by Veronica Heley and published by BRF at £9.99

This book covers 40 men and women whose stories are told in this book who may not have started out as perfect people, but they were used by God to do his work. An excellent resource.

FOOTSTEPS TO THE FEAST

Written by Martyn Payne and published by BRF at £8.99

Suitable for 6 – 11's – this book offers the opportunity to explore the 'big story' of God's purpose for his world and his people through 12 fun-filled 2 hour special events. Each programme I packed with tried and tested ideas including icebreakers, team games, drama, music and crafts, all designed to explore the overall theme. At the heart of each event there is space for visual storytelling and reflection.

All the above books have been recommended by Rev Richard Burge – our 5 – 11's children's advisor for the Diocese.
