IDEAS & MORE IDEAS FOR CHRISTMAS, EASTER, PENTECOST AND HARVEST

These booklets are WONDERFUL! Full of ideas for Under 5 groups everywhere. Each contain different ways to tell the festival stories, songs and rhyme ideas, creative prayer ideas, craft ideas (**and templates**) and so so much more!

All written by Judith Wigley (with the exception of Ideas for Harvest which was written by Judith Wigley, Moira Burns and Pam Priestley).

SONGS & MORE SONGS FOR LITTLE SINGERS

Both booklets are easy to pick up and use. The songs are based on nursery rhyme tunes so very easy for everyone to learn. They cover all the major festivals plus have sections on songs about Bible stories, Jesus and God, Praise & Thanksgiving and prayer. More Songs has an extra

section on using Lycra with the very young (similar to a parachute but much more gentle). Both have ideas to sing with instruments.
Written by Judith Wigley with songs & ideas from the parishes of the Diocese of Wakefield (with permission granted).

STICKY FINGERS SERIES

These are headed up 'A craft resource pack for leaders of Under 5's groups' but they contain a lot more than crafts. Each pack has a welcome to the 'Season Page'. A basic craft kit list with helpful hints, 10 tips to guide you in craft activities, a description of each activity, templates, recipes & guidelines required, in addition to 'SPRINGBOARD' sheets for developing the activity theme into bible stories, songs, rhymes and prayers. If you purchased all 6 in the series you would have enough material for about 3 years! All ideas have been tried and tested.

STICKY FINGERS EXTRA

A Nursery Rhyme Craft Pack - all tried and tested by a very experienced Parent & Toddler Leader and put together in a very easy to use way. Each craft has a song idea, details of how to make the craft plus extra activities. Superb!
