## VISION BUILDING A Resource Pack for Churches

This pack contains a set of leaflets full of ideas and guidance to help church with the process of developing Vision, and turning a Vision into an action plan.

It can be used in conjunction with the study group course, *Finding Your Vision* (Exploratory Course EC C)

### Contents:

1. Mission and Vision Statements: what they are and how to use them
2. Seven Ways of Building a Vision: some exercises and processes for groups to use
3. Practical Tools: more ideas for churches to produce and work with a vision
4. Implementing a Vision: a process in five steps
5. Project Planning: three ways of continuing to turn vision into reality
6. Vision and Change: a formula setting out the ingredients in making a change happen
7. Collaborative Ministry and Visionary Leadership: a cycle of action to hold together these two elements
